

Atwea College

2028 Organisational Dates for Students

Introduction

Atwea College runs to align with NSW School Terms as published by the Department of Education (with some very minor adjustments). Generally, courses do not run in School Holidays and do not have sessions on public holidays. If there is any diversion to this, you will be informed in your course information booklet.

Definitions

Enrolment Cut-off date: This is the last date that you can enrol in a program or unit of study. Your paperwork must reach our office by close of business on this date. It is 12 business prior to the census date, and includes public holidays in that count.

Term Start Date: the first day of the first week of classes for that Term.

Census Date: This is the last date that you can *withdraw* from a course of study without incurring a financial penalty (in other words without incurring a debt that will need to be repaid).

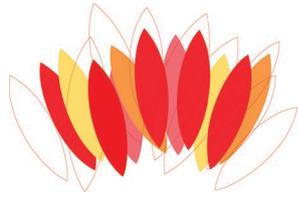

Term End Date: the last day of the last week of classes for that Term. All assessments must have been finalised by this date.

*Note: classes do not run in School Holidays or on NSW Public Holidays
