

Alesco Enrolment Policy

Scope

This policy relates to all Alesco campuses.

Purpose

The purpose of this policy is to provide information on the requirements to apply, enrol and record student enrolment for Alesco Secondary College, as well as how to end an enrolment with Alesco.

Definitions

Campus:	The school geographic location and site for the delivery of Atwea programs
Application for Enrolment:	The standard form to be completed by the applicant families/career/applicant
Enrolment Process:	The process as defined in the Enrolment Procedure

Policy

Atwea Secondary College will assess all applications for enrolment using a consistent and structured process that evaluates the current capabilities of the staffing team in campus, the current needs of the existing student cohort and the individual needs of the student applying for enrolment.
